Art Deco Wola Apartments
7 Siedmiogrodzka Street
Warsaw, Poland

Congratulations!

As Governor of the State of Illinois, I am pleased to congratulate the developers, architects, builders, and investors of the new Art Deco Wola Apartments in Warsaw, Poland, on the project's grand opening.

Today's celebration is a wonderful opportunity to welcome the residents of this new building, inspired by the idea of city sisterhood between Warsaw and Chicago. This project by developer Terra Casa S.A., a member of the Chicago-based Polish American Chamber of Commerce, reflects the finest architectural features of pre-World War II Warsaw, as well as the motifs and architectural styles of art deco from Chicago. Today's grand opening is an excellent opportunity to reflect on all the hard work and dedication that has gone into opening this new development, and to make plans for the future that will build on your success.

This is also an exciting year across the State of Illinois, as we commemorate Illinois' 200th birthday in 2018. During the yearlong Bicentennial celebration, we pay tribute to the people, places, and things that are born, built, and grown here every single day. Together, we can inspire pride in Illinois and show the world what makes this state so great – and that includes you!

On behalf of the people of Illinois, I offer my best wishes for a memorable grand opening event and many years of continued success.

Sincerely,
